

WeRin in a nutshell

WeRin (Women Entrepreneurs in Regional Inclusive Entrepreneurial Ecosystems) is **enhancing the inclusivity and effectiveness of entrepreneurship education for women in higher education** across Europe. The project focuses on the research and development of tools to support female students in becoming entrepreneurs while:

- Addressing **gender disparities in entrepreneurship**, and
- Fostering a more **inclusive entrepreneurial ecosystem**.

Who is WeRin for?

Female students in Higher Education Institutions

Women graduates who aspire to become entrepreneurs

Women entrepreneurs looking to grow their companies

What does WeRin do?

Research
on women entrepreneurship, gender inclusivity and inclusive ecosystems

Knowledge Creation
through the development of resources based on the WeRin principles

Capacity Building
through WeRin events and webinars for inclusive entrepreneurship education

Sharing & Promoting
to increase awareness about WeRin and its outputs across Europe

Development & Testing
of the WeRLearnin Approach and the WeRin Toolbox

Aims

- 1. Increase the share of female graduate entrepreneurs** and ensure their integration in the ecosystem.
- 2. Inclusion of entrepreneurship education and support programmes** from a gender perspective.
- 3. Make women feel invited to the entrepreneurship scene.**

Targets

- ↑ 15%** Female participation in entrepreneurship education
- ↑ 20%** Female participation in entrepreneurship support programmes

Who are we?

14 organisations including:

- Higher Education Institutions
- Associations
- Networks
- Businesses
- Research institutes

from **6 European countries**

Did you know...

60% of Higher Education graduates are women, yet they are widely underrepresented amongst start-ups
