About WeRin

Led by **FH Münster University of Applied Sciences** (MUAS), WeRin is an ERASMUS+ Knowledge Alliance project of 14 partners that aims to **increase the share of female graduate entrepreneurs** and ensure they are firmly integrated in regional entrepreneurial ecosystems across Europe; **improve the inclusivity of entrepreneurship education and support programmes** from a gender and structural perspective; and **ensure women feel invited to the entrepreneurship scene**.

About the Think Tank?

WeRinventing you to tackle gender inequality in entrepreneurship head on at this unique event.

For one day, participants from different walks of life will gather together to reflect on the project's research findings, and co-create innovative solutions to WeRin's central questions: **how to develop more gender inclusive entrepreneurship education; entrepreneurship support programs and inclusive entrepreneurial ecosystems**.

The concepts developed during this event will feed into the development of the WeRin WeRLearning Approach and toolbox. These outputs will deliver inclusive and creative teaching and learning material for entrepreneurship educators and support programs.
