About WeRin

WeRin is an ERASMUS+ Knowledge Alliance project of 14 partners. **The Hincks Centre for Entrepreneurship Excellence**, part of the School of Business at Munster Technological University (MTU), is the Lead partner for MTU with FH Münster University of Applied Sciences (MUAS) as the overall project Lead. WeRin aims to **increase the share of female graduate entrepreneurs** and ensure they are firmly integrated in regional entrepreneurial ecosystems across Europe; **improve the inclusivity of entrepreneurship education and support programmes** from a gender and structural perspective; and **ensure women feel belong across the entrepreneurial ecosystem**

About the WeRin Workshop

WeRinving you to tackle gender inequality in entrepreneurship head on at this unique event.

Participants from different walks of life will gather for one afternoon to reflect on the project's research findings, and co-create innovative solutions to WeRin's central questions: **how to develop more gender inclusive entrepreneurship education; entrepreneurship support programs and inclusive entrepreneurial ecosystems.** The concepts developed during this event will feed into the development of the WeRin WeRLearning Approach and toolbox. These outputs will deliver inclusive and creative teaching and learning material for entrepreneurship educators and support programs
